MARY MEETING

THERE WILL BE a special Mary Meeting to consider the paper from Trustees to be presented at our next AM regarding the future financing of the Area Meeting. More broadly, it will be an opportunity to assess our responsibilities - including financial ones - to both our Local Meeting (Gloucester) and AM as a whole. Everyone welcome to attend.

CURRENT COLLECTION

PRISONERS' ADVICE SERVICE offers free legal advice and support to adult prisoners throughout England and Wales regarding their human and legal rights, conditions of imprisonment and the application of Prison Law and Prison Rules.

PAS responds to prisoners' calls for help about their treatment in prison through a telephone advice line, letters clinics and legal outreach clinics in prisons, as well as by, where appropriate, taking legal action on their behalf. PAS also provides information within the prison sector.

A THOUGHT FROM QUAKER FAITH & PRACTICE

THE AREA MEETING, where our membership is held, seeks to carry out the concerns and witness of Quakers in that area, and also has other responsibilities for the area meeting and its constituent local meetings. It is laid upon us to help our own area and local meetings to fulfil these tasks through our regular financial support in accordance with our means.
